Trade the Malls for Walls Frequently Asked Questions

How do I buy presents?
You can shop in person and drop off donations at our community office in Decatur during regular business hours. Call 404-370-7670 for directions.

You can also purchase online through our online wish lists.
Amazon: https://www.amazon.com/hz/wishlist/ls/2XRNEDQWFK6UL?ref_=wl_share
Target: https://www.target.com/gift-registry/gift/insafecompany2026

How do you donate cash or gift cards?
Make a cash gift at www.insafecompany.org and select “Trade the Malls 2026” as the cause. Gift cards can be purchased from our online wish lists, which will be sent directly to us, or dropped off at our community office. Call 404-370-7670 for directions.

What is the deadline?
We request to receive all donations by December 11 so we can prepare for our family shopping days.

Who are the families?
All families are survivors of domestic violence participating in ISC's housing programming and spending their first holiday in a new home away from an abusive partner.

Can I meet the family?
For confidentiality and safety, we cannot share identifying information about families. But your gift will directly support a mother and her children beginning again in peace and safety.

Why gift cards?
Gift cards give survivors flexibility to buy what their families need most—winter clothing, special gifts, or essentials—while preserving survivor choice and independence.

Can I also donate toys?
Yes! Toys will be given to children in our Safe House for Survivors Program. Our greatest need, however, is household items like those on the wish lists.

Can I get a tax receipt?
Yes! Donations of cash, gift cards, and items are tax deductible as allowed by law. Email aharris@insafecompany.org with your purchase receipt to receive a tax acknowledgment letter.
